

EACH TOMORROW

Words and Music By:-

Don and Betty Marvel

With tear dimmed eyes I watched you go
 Still each new day will come and go

leav - ing
 and my

me a- lone and blue. with- in my heart there's
 dreams will ling - er on for they are all I

on- ly sor- row I'm sure you know I still love you.
 have to live for I'm so a - lone since you have gone.

you know I did-n't mean to hurt you It was
 if in your heart you find that you dear still want

all a grave mis - take my dear oh can't you see I did n't
 me to be your own true love then I can face each new , to-

mean to my fool ish pride was all to blame.
 mor - row by know-ing you love me a- lone.
