General Notes: Daughter Ermal wrote about her "Pop" in a note that was discovered by cousins.

The note stated:

"They were married on February 4th in Hillsdale Michigan - they went up on a train, came back same day to find the De Kalb Co. Courthouse had burned." A story was told in the family that - at the age 16 he(John L Weaver) was ill for an entire year. It was said that he contracted poisoning from his mother who had gotten blood poisoning from Paris Green sprayed on cabbage, resulting in removal of her 1st finger on her right hand. As a child they recalled gazing at grandma's hand with the finger gone, no doubt that they came to the realization that all hands had a thumb and 4 fingers. My dad apparently lost a year of school due to illness, but did finish 8th grade. As the years past, the family became aware of the knowledge that my dad had gained in that much schooling. His excellent mathematics and algebra, correct measurements of acres, rods, yards, square miles, or anything needed in being a farmer, the only profession he was to know, In Nov. 1926, at the age of 40, when he ran for the position of Jackson Township Trustee on the Democratic ticket. He was elected by a large majority. He ran again in 1930, he ran again in 1930. His experience as township trustee must have worked well because he was elected again in 1930 for another term of 4 years. He must have proved that he could hand the job and

work for his fellow members of the township. There was a lot to do during the 8 years of the Depression period. My mother assisted with keeping good records. As the depression years worsened, dad handled the poor claims for those needing groceries and fuel. Some of the added responsibilities as the Township Trustee during these years were: Hiring 8 school teachers and paying them - Handling the graveling of roads, repair of ditches, collecting the dog tax, took census of the school children in the area. All this was in my most impressive years, age 11-18. Dad did the job for the sum of 465 per month, plus a few paid expenses. This money was our lifesaver through those depression years."
